

Jumper Capdirdesc&orderposition

Tom E. Clarke

Pararescue Jumper Nancy Robinson Masters, 2012-08-01 Learn what it takes to become a pararescue jumper in the U.S. military.

Jumper Richard Barth, 2001 Roller coaster designer Dr. Samuel Garvey, is in the middle of designing his latest coaster Jumper which will climax the ride by jumping from one track to another when he receives a call to investigate a fatal accident on Coney Island.

Jumper [large Print]. ,

The Jump Rope Book Glen Vecchione, 1995 ...turns traditional childhood jump-rope games into a vigorous sport....comprehensive guide provides all the moves necessary to become physically fit and perhaps even a jump-rope competitor...includes background behind jumping rope, equipment necessary, warm-up exercises, and progressively more difficult skills and routines. Black-ink line drawings...indicate foot patterns and arm moves....Physical fitness attributes as well as competitive organizations are also listed...rhythm rhymes are included.--School Library Journal.

BASE Jumping Jessica Cohn, 2013-01-01 BASE Jumping is the ultimate adrenaline rush. Leaping off a bridge or cliff with nothing but a parachute is thrilling, but a risk few are willing to take. Readers will dive headfirst into the world of BASE jumping through exciting and engaging text. Find out what surfaces BASE jumpers jump off of, and what risks they take for a thrill. Full-color photographs show the gravity-defying feats of BASE jumping while educating readers on the science of the sport. Interactive challenges to encourage exercise of both body and mind are also provided.

Daring and Dangerous Sky Jumpers Judy Greenspan, 2019-01-15 Daring and Dangerous: Sky Jumpers for grades 4-8 introduces young readers to the exciting world of skydiving. This 32-page book offers readers an opportunity to learn about the dazzling world of competitions in the sky and the terrifying, thrilling, and very quick journey from the plane to the ground below. The Daring and Dangerous Stunt Performers series is an action-packed escape into some of the most daring and dangerous activities on - and beyond - the planet. With topics ranging from stunt performers to space explorers, each spread in these books stands alone so reluctant readers can flip through until something catches their attention. Each book also features glossary words (defined on the pages in which they appear) and a memory game that encourages readers' recall as they are asked to match images to what they've read

The Ski Jumpers Peter Geye, 2022-09-13 A writer and former ski jumper facing a terminal diagnosis takes one more leap--into a past of soaring flights and broken family bonds A brilliant ski jumper has to be fearless--Jon Bargaard remembers this well. His memories of daring leaps and risks might be the key to the book he's always wanted to write: a novel about his family, beginning with Pops, once a champion ski jumper himself, who also took Jon and his younger brother Anton to the heights. But Jon has never been able to get past the next, ruinous episode of their history, and now that he has received a terrible diagnosis, he's afraid he never will. In a bravura performance, Peter Geye follows Jon deep into the past he tried so hard to leave behind, telling the story he spent his life escaping. It begins with a flourish, his father and his hard-won sweetheart fleeing Chicago, and a notoriously ruthless gangster, to land in North Minneapolis. That, at least, was the tale Jon heard, one that becomes more and more suspect as he revisits the events that eventually tore the family in two, sending his father to prison, his mother to the state hospital, and placing himself, a teenager, in charge of thirteen-year-old Anton. Traveling back and forth in time, Jon tells his family's story--perhaps his last chance to share it--to his beloved wife Ingrid, circling ever closer to the truth about those events and his own part in them, and revealing the perhaps unforgivable violence done to the brothers' bond. The dream of ski jumping haunts Jon as his tale unfolds, daring time to stop just long enough to stick the landing. As thrilling as those soaring flights, as precarious as the Bargaard family's complicated love, as tender as Jon's backward gaze while disease takes him inexorably forward, Peter Geye's gorgeous prose brings the brothers to the precipice of their relationship, where they have to choose: each other, or the secrets they've held so tightly for so long.

Smokejumper Jason A. Ramos, Julian Smith, 2015-07-14 A rare inside look at the thrilling world of smokejumpers, the airborne firefighters who parachute into the most remote and rugged areas of the United States, confronting the growing threat of nature's blazes. Forest and wildland fires are growing larger, more numerous, and deadlier every year — record drought conditions, decades of forestry mismanagement, and the increasing encroachment of residential housing into the wilderness have combined to create a powder keg that threatens millions of acres and thousands of lives every year. One select group of men and women are part of America's front-line defense: smokejumpers. The smokejumper program operates through both the U.S. Forest Service and the Bureau of Land Management. Though they are tremendously skilled and only highly experienced and able wildland firefighters are accepted into the training program, being a smokejumper remains an art that can only be learned on the job. Forest fires often behave in unpredictable ways: spreading almost instantaneously, shooting downhill behind a stiff tailwind, or even flowing like a liquid. In this extraordinarily rare memoir by an active-duty jumper, Jason Ramos takes readers into his exhilarating and dangerous world, explores smokejumping's remarkable history, and explains why their services are more essential than ever before.

The Claim Jumpers Stewart Edward White, 2014-12-08 The tenderfoot manager of a mine in a lonesome gulch of the Black Hills has a hard time of it, but wins out in more ways than one.

Skydiving Jerolyn Ann Nentl,1978 Text and photographs describe the dangers and excitement of skydiving.

The Parachute Jumper Percy Keese Fitzhugh,2021-08-31 The Parachute Jumper, is the 19th installment of the thrilling Tom Slade series by Percy Keese Fitzhugh. When Tom befriends Billy Donovan, a daring young man who leaps from planes for a living, he discovers an intriguing spirit within him. After a catastrophic jump and a daring rescue, Tom takes Billy to Leatherstocking Camp to aid his recovery. Little do they know that their journey will be filled with mystery, fire, and perilous encounters that push their courage to the limits.

Skydive Tim Shay,2007-07-01 Come sail into the wild blue yonder and experience the thrill of flight as only an insider can portray it. Whether you are an experienced jumper or just an observer you will enjoy this action packed look at the exciting world of skydiving.

The Puddle Jumper Tom E. Clarke,1964
