Visual Basic for DOS Namir C. Shammass,1993 A hands-on introduction to programming with Visual Basic for DOS, including a disk containing all the program code covered. This book takes a painless approach that first-time users will find reassuring--a quick-start, step-by-step tutorial on object-oriented programming; dozens of easy-to-follow sample programs; helpful icons highlighting special tips and warnings; and a rich supply of screen images.

UNFPA State of World Population 2008 United Nations Population Fund,2008 The State of World Population 2008 demonstrates that an appreciation for cultures and values is a critical but sometimes overlooked aspect of successful development strategies. It shows how culture can strengthen and validate human rights perspectives and enable their broader acceptance, ownership and realization. The report argues that synergy between the global human rights agenda and cultural aims can help advance the Millennium Development Goals and contribute to ending extreme poverty.
