Love Life Rob Lowe, 2014-04-08 On the heels of his New York Times bestselling *Stories I Only Tell My Friends*, Rob Lowe is back with an entertaining collection that “invites readers into his world with easy charm and disarming frankness” (Kirkus Reviews). After the incredible response to his acclaimed bestseller, *Stories I Only Tell My Friends*, Rob Lowe was convinced to mine his experiences for even more stories. The result is *Love Life*, a memoir about men and women, actors and producers, art and commerce, fathers and sons, movies and TV, addiction and recovery, sex and love. Among the adventures he describes in these pages are: · His visit, as a young man, to Hugh Hefner’s Playboy Mansion, where the naïve actor made a surprising discovery in the hot tub. · The time, as a boy growing up in Malibu, he discovered a vibrator belonging to his best friend’s mother. · What it’s like to be the star and producer of a flop TV show. · How an actor prepares, for Californification, *Parks and Recreation*, and numerous other roles. · His hilarious account of coaching a kid’s basketball team dominated by helicopter parents. · How his great, great, great, great, great grandfather may have inspired everything from his love of *The West Wing* to his taste in classic American architecture. · His first visit to college, with his son, who is going to receive the education his father never got. · The time a major movie star stole his girlfriend. Linked by common themes and his philosophical perspective on love—and life—Lowe’s writing “is loaded with showbiz anecdotes, self-deprecating tales, and has a general sweetness” (New York Post).

Touch Claire North, 2015-02-24 The electrifying new thriller from the author of the acclaimed *The First Fifteen Lives of Harry August*. Kepler is like you, but not like you. With a simple touch, Kepler can move into any body, live any life - for a moment, a day or for years. And your life could be next. SOME PEOPLE TOUCH LIVES. OTHERS TAKE THEM. I DO BOTH. 'Just extraordinary' Clare Mackintosh, author of *I Let You Go* 'North's talent shines out' Sunday Times 'Dazzlingly imaginative' Sunday Mirror 'Breathless and brilliantly original' Love Reading 'Destined to be one of the biggest thrillers of the year' Rick O'Shea, radio presenter Discover the mesmerising new novel from one of the most original new voices in modern fiction. Also by Claire North *The First Fifteen Lives of Harry August* *The Sudden Appearance of Hope* (winner of the World Fantasy Award 2017) *The End of the Day* (shortlisted for the Sunday Times/PFD Young Writer of the Year Award 2017) 84K The Gameshouse

Rules for Visiting Jessica Francis Kane, 2020-04-28 “An elegant and deeply moving meditation on friendship, family, and

life on earth. Rules for Visiting is a wonderful novel.” —Emily St. John Mandel, author of *Sea of Tranquility*, *The Glass Hotel*, and *Station Eleven* The national bestseller and an Indie Next List pick Name a Best Book of the Year by O Magazine • Good Housekeeping • Real Simple • Vulture • Chicago Tribune Named a Best Book of the Summer by The Today Show • Good Morning America • Wall Street Journal • San Francisco Chronicle • Southern Living Shortlisted for the 2020 Bollinger Everyman Wodehouse Prize Long-listed for the 2020 Tournament of Books Dry, witty, and unapologetic, May Attaway loves literature and her work as a botanist for the university in her hometown. More at home with plants than people, May begins to suspect she isn’t very good at friendship and wonders if it’s possible to improve with practice. Granted some leave from her job, she sets out on a journey to spend time with four long-neglected friends. Smart, funny, and full of compassion, Rules for Visiting is the story of a search for friendship in the digital age, a singular look at the way we stay in touch. While May travels, she studies her friends’ lives and begins to confront the pain of her own. With simplicity and honesty, Jessica Francis Kane has crafted an exquisite story about a woman trying to find a new way to be in the world. This nourishing book, with its beautiful contemplation of travel, trees, family, and friendship, is the perfect antidote to our chaotic times.

Sigh, Gone Phuc Tran, 2020-04-21 For anyone who has ever felt like they don't belong, *Sigh, Gone* shares an irreverent, funny, and moving tale of displacement and assimilation woven together with poignant themes from beloved works of classic literature. In 1975, during the fall of Saigon, Phuc Tran immigrates to America along with his family. By sheer chance they land in Carlisle, Pennsylvania, a small town where the Trans struggle to assimilate into their new life. In this coming-of-age memoir told through the themes of great books such as *The Metamorphosis*, *The Scarlet Letter*, *The Iliad*, and more, Tran navigates the push and pull of finding and accepting himself despite the challenges of immigration, feelings of isolation, and teenage rebellion, all while attempting to meet the rigid expectations set by his immigrant parents. Appealing to fans of coming-of-age memoirs such as *Fresh Off the Boat*, *Running with Scissors*, or tales of assimilation like Viet Thanh Nguyen's *The Displaced* and *The Refugees*, *Sigh, Gone* explores one man’s bewildering experiences of abuse, racism, and tragedy and reveals redemption and connection in books and punk rock. Against the hairspray-and-synthesizer backdrop of the ‘80s, he finds solace and kinship in the wisdom of classic literature, and in the subculture of punk rock, he finds affirmation and echoes of his disaffection. In his journey for self-discovery Tran ultimately finds refuge and inspiration in the art that shapes—and ultimately saves—him.

The Complacent Class Tyler Cowen, 2017-02-28 Examines the trend of Americans away from the traditionally mobile, risk-accepting, and adaptable tendencies that defined them for much of recent history, and toward stagnation and comfort, and how this development has the potential to make future changes more disruptive. --Publisher's description.

The Nix Nathan Hill, 2016-08-30 Winner of the Art Seidenbaum Award for First Fiction A New York Times 2016 Notable Book Entertainment Weekly's #1 Book of the Year A Washington Post 2016 Notable Book A Slate Top Ten Book NEW YORK

TIMES BESTSELLER “The Nix is a mother-son psychodrama with ghosts and politics, but it’s also a tragicomedy about anger and sanctimony in America. . . . Nathan Hill is a maestro.” —John Irving From the suburban Midwest to New York City to the 1968 riots that rocked Chicago and beyond, *The Nix* explores—with sharp humor and a fierce tenderness—the resilience of love and home, even in times of radical change. It’s 2011, and Samuel Andresen-Anderson—college professor, stalled writer—has a Nix of his own: his mother, Faye. He hasn’t seen her in decades, not since she abandoned the family when he was a boy. Now she’s re-appeared, having committed an absurd crime that electrifies the nightly news, beguiles the internet, and inflames a politically divided country. The media paints Faye as a radical hippie with a sordid past, but as far as Samuel knows, his mother was an ordinary girl who married her high-school sweetheart. Which version of his mother is true? Two facts are certain: she’s facing some serious charges, and she needs Samuel’s help. To save her, Samuel will have to embark on his own journey, uncovering long-buried secrets about the woman he thought he knew, secrets that stretch across generations and have their origin all the way back in Norway, home of the mysterious Nix. As he does so, Samuel will confront not only Faye’s losses but also his own lost love, and will relearn everything he thought he knew about his mother, and himself.

The American Spirit David McCullough, 2017-04-18 This timely collection of speeches by David McCullough, the most honored historian in the United States—winner of two Pulitzer Prizes, two National Book Awards, and the Presidential Medal of Freedom, among many other honors—reminds us of fundamental American principles. Over the course of his distinguished career, David McCullough has spoken before Congress, the White House, colleges and universities, historical societies, and other esteemed institutions. Now, as many Americans engage in self-reflection following a bitter election campaign that has left the country divided, McCullough has collected some of his most important speeches in a brief volume that articulates important principles and characteristics that are particularly American...-Jacket.

Karma and Other Stories Rishi Reddi, 2009-10-13 “Reddi’s understated prose and her choice of detail give her revelations a quiet power.” — *The New Yorker* “[A]mong such time-tested topics of immigrant fiction, Reddi suddenly soars.” — *San Francisco Chronicle* “While many of the stories seem simple, characters and plots linger long after you turn the page.” — *Washington Post* “...reminiscent of Jhumpa Lahiri... The immigrant experience...is rendered with the starkest honesty... substance and depth.” — *Philadelphia Inquirer* “Reddi has produced a piece of writing that masterfully contrasts the assumed with the experienced, myth with reality.” — *India Currents* “...superb debut collection... much like Jhumpa Lahiri...a gem of a book...characters remain etched in memory...” — *Indian Express* “In deceptively simple prose...a compassionate look at what happens when the insular world of the Indian immigrant is breached.” — *St. Louis Post-Dispatch* “...Reddi deftly employs images to crystallize... the isolation and occasional bewilderment shared by her sympathetic characters.” — *Publishers Weekly* “This excellent debut collection... [offers] elegant studies of a culture that is both familiar and foreign.” — *Booklist*

"Reddi's voice is gentle and her eye watchful...A soft-spoken, sympathetic collection." — Kirkus Reviews "Sad, sweet, tender--a truly lovely book." — Kiran Desai, Man Book Prize-winning author of *THE INHERITANCE OF LOSS* "Only the finest writers can craft short stories with the richness of a novel...[an] exceptional debut collection." — Arthur Golden, bestselling author of *MEMOIRS OF A GEISHA* "Rishi Reddi has written a unique and beautiful book with the power to both entertain and educate." — Judith Guest, bestselling author of *ORDINARY PEOPLE* "Reddi's characters are complicated people...and, as are the stories they inhabit, memorable and very worthy of our attention. Exquisite." — Binnie Kirshenbaum, author of *AN ALMOST PERFECT MOMENT* "Reddi is the brightest light in Boston's latest literary constellation." — Boston magazine

Teaching What Really Happened James W. Loewen, 2018-09-07 "Should be in the hands of every history teacher in the country." — Howard Zinn James Loewen has revised *Teaching What Really Happened*, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retellings of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled Truth that addresses how traditional and social media can distort current events and the historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: An up-to-date assessment of the potential and pitfalls of U.S. and world history education. Information to help teachers expect, and get, good performance from students of all racial, ethnic, and socioeconomic backgrounds. Strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography. Ideas from teachers across the country who are empowering students by teaching what really happened. Specific chapters dedicated to five content topics usually taught poorly in today's schools.

When Stars Are Scattered Victoria Jamieson, Omar Mohamed, 2020-04-14 A National Book Award Finalist, this remarkable graphic novel is about growing up in a refugee camp, as told by a former Somali refugee to the Newbery Honor-winning creator of *Roller Girl*. Omar and his younger brother, Hassan, have spent most of their lives in Dadaab, a refugee camp in Kenya. Life is hard there: never enough food, achingly dull, and without access to the medical care Omar knows his nonverbal brother needs. So when Omar has the opportunity to go to school, he knows it might be a chance to change their future . . . but it would also mean leaving his brother, the only family member he has left, every day. Heartbreak, hope, and gentle humor exist together in this graphic novel about a childhood spent waiting, and a young man who is able to create a sense of family and home in the most difficult of settings. It's an intimate, important, unforgettable look at the day-to-day life of a refugee, as told to New York Times Bestselling author/artist Victoria Jamieson by Omar Mohamed, the Somali man who

lived the story.

All American Boys Jason Reynolds, Brendan Kiely, 2015-09-29 A 2016 Coretta Scott King Author Honor book, and recipient of the Walter Dean Myers Award for Outstanding Children's Literature. In this New York Times bestselling novel, two teens—one black, one white—grapple with the repercussions of a single violent act that leaves their school, their community, and, ultimately, the country bitterly divided by racial tension. A bag of chips. That's all sixteen-year-old Rashad is looking for at the corner bodega. What he finds instead is a fist-happy cop, Paul Galluzzo, who mistakes Rashad for a shoplifter, mistakes Rashad's pleadings that he's stolen nothing for belligerence, mistakes Rashad's resistance to leave the bodega as resisting arrest, mistakes Rashad's every flinch at every punch the cop throws as further resistance and refusal to STAY STILL as ordered. But how can you stay still when someone is pounding your face into the concrete pavement? There were witnesses: Quinn Collins—a varsity basketball player and Rashad's classmate who has been raised by Paul since his own father died in Afghanistan—and a video camera. Soon the beating is all over the news and Paul is getting threatened with accusations of prejudice and racial brutality. Quinn refuses to believe that the man who has basically been his savior could possibly be guilty. But then Rashad is absent. And absent again. And again. And the basketball team—half of whom are Rashad's best friends—start to take sides. As does the school. And the town. Simmering tensions threaten to explode as Rashad and Quinn are forced to face decisions and consequences they had never considered before. Written in tandem by two award-winning authors, this four-starred reviewed tour de force shares the alternating perspectives of Rashad and Quinn as the complications from that single violent moment, the type taken directly from today's headlines, unfold and reverberate to highlight an unwelcome truth.

Empire of Wild Cherie Dimaline, 2020-07-28 "Deftly written, gripping and informative. *Empire of Wild* is a rip-roaring read!"—Margaret Atwood, From Instagram "Empire of Wild is doing everything I love in a contemporary novel and more. It is tough, funny, beautiful, honest and propulsive—all the while telling a story that needs to be told by a person who needs to be telling it."—Tommy Orange, author of *There There* A bold and brilliant new indigenous voice in contemporary literature makes her American debut with this kinetic, imaginative, and sensuous fable inspired by the traditional Canadian Métis legend of the Rogarou—a werewolf-like creature that haunts the roads and woods of native people's communities. Joan has been searching for her missing husband, Victor, for nearly a year—ever since that terrible night they'd had their first serious argument hours before he mysteriously vanished. Her Métis family has lived in their tightly knit rural community for generations, but no one keeps the old ways . . . until they have to. That moment has arrived for Joan. One morning, grieving and severely hungover, Joan hears a shocking sound coming from inside a revival tent in a gritty Walmart parking lot. It is the unmistakable voice of Victor. Drawn inside, she sees him. He has the same face, the same eyes, the same hands, though his hair is much shorter and he's wearing a suit. But he doesn't seem to recognize Joan at all. He insists his name is Eugene

Wolff, and that he is a reverend whose mission is to spread the word of Jesus and grow His flock. Yet Joan suspects there is something dark and terrifying within this charismatic preacher who professes to be a man of God . . . something old and very dangerous. Joan turns to Ajean, an elderly foul-mouthed card shark who is one of the few among her community steeped in the traditions of her people and knowledgeable about their ancient enemies. With the help of the old Métis and her peculiar Johnny-Cash-loving, twelve-year-old nephew Zeus, Joan must find a way to uncover the truth and remind Reverend Wolff who he really is . . . if he really is. Her life, and those of everyone she loves, depends upon it.

Shadow Network Anne Nelson, 2019-10-29 "Reveals a political trend that threatens both our form of government and our species." - Timothy Snyder, author of ON TYRANNY Riveting.... Want to understand how so many Americans turned against truth? Read this book. Nancy Maclean, author of DEMOCRACY IN CHAINS In 1981, emboldened by Ronald Reagan's election, a group of some fifty Republican operatives, evangelicals, oil barons, and gun lobbyists met in a Washington suburb to coordinate their attack on civil liberties and the social safety net. These men and women called their coalition the Council for National Policy. Over four decades, this elite club has become a strategic nerve center for channeling money and mobilizing votes behind the scenes. Its secretive membership rolls represent a high-powered roster of fundamentalists, oligarchs, and their allies, from Oliver North, Ed Meese, and Tim LaHaye in the Council's early days to Kellyanne Conway, Ralph Reed, Tony Perkins, and the DeVos and Mercer families today. In Shadow Network, award-winning author and media analyst Anne Nelson chronicles this astonishing history and illuminates the coalition's key figures and their tactics. She traces how the collapse of American local journalism laid the foundation for the Council for National Policy's information war and listens in on the hardline broadcasting its members control. And she reveals how the group has collaborated with the Koch brothers to outfit Radical Right organizations with state-of-the-art apps and a shared pool of captured voter data - outmaneuvering the Democratic Party in a digital arms race whose result has yet to be decided. In a time of stark and growing threats to our most valued institutions and democratic freedoms, Shadow Network is essential reading.

Third Person Singular K. J. Erickson, 2010-04-01 Set against the black backdrop of a ruthless Minnesota winter, KJ Erickson's debut novel is bursting with masterfully plotted suspense and intricately rendered characters. Prickly but gifted Minneapolis Special Detective Marshall Mars Bahr is a man whose devotion to his eight-year-old son is eclipsed only by his love of the hunt. Mars hasn't won any popularity contests among his fellow officers, but his commitment to his job and his investigative talents have gotten him a plumb assignment: Special Detective in charge of the First Response Unit, reporting directly to the chief. On a winter morning, when Mars is called to the scene of a homicide near the outskirts of town, his first thought is that a homeless drunk passed out in the wrong place on a freezing cold night. What he finds turns out to be much more menacing, a nightmare case involving a teenage girl from the right side of the tracks. With few clues and increasing pressure from the mayor on down to apprehend the killer, Mars is forced to turn away from the details of the crime on the

bluffs and instead focus on the victim herself. Mary Pat Fitzgerald seemed to have a storybook lifestyle, at least from the outside. With a little digging, however, it becomes clear that appearances can be deceiving. Mars and his partner, Nettie Frisch, turn up some provocative clues in the search to uncover the truth about the young woman's lonely death-- but can they trust them? Third Person Singular is a multilayered screamer of a debut that will have readers breathlessly awaiting KJ Erickson's next effort.

It's Perfectly Normal Robie H. Harris, 2021-05-18 Fully and fearlessly updated, this vital new edition of the acclaimed book on sex, sexuality, bodies, and puberty deserves a spot in every family's library. With more than 1.5 million copies in print, It's Perfectly Normal has been a trusted resource on sexuality for more than twenty-five years. Rigorously vetted by experts, this is the most ambitiously updated edition yet, featuring to-the-minute information and language accompanied by new and refreshed art. Updates include: * A shift to gender-neutral vocabulary throughout * An expansion on LGBTQIA topics, gender identity, sex, and sexuality—making this a sexual health book for all readers * Coverage of recent advances in methods of sexual safety and contraception with corresponding illustrations * A revised section on abortion, including developments in the shifting politics and legislation as well as an accurate, honest overview * A sensitive and detailed expansion on the topics of sexual abuse, the importance of consent, and destigmatizing HIV/AIDS * A modern understanding of social media and the internet that tackles rapidly changing technology to highlight its benefits and pitfalls and ways to stay safe online Inclusive and accessible, this newest edition of It's Perfectly Normal provides young people with the knowledge and vocabulary they need to understand their bodies, relationships, and identities in order to make responsible decisions and stay healthy.

Revelations Elaine Pagels, 2012-03-06 A startling exploration of the history of the most controversial book of the Bible, by the bestselling author of Beyond Belief. Through the bestselling books of Elaine Pagels, thousands of readers have come to know and treasure the suppressed biblical texts known as the Gnostic Gospels. As one of the world's foremost religion scholars, she has been a pioneer in interpreting these books and illuminating their place in the early history of Christianity. Her new book, however, tackles a text that is firmly, dramatically within the New Testament canon: The Book of Revelation, the surreal apocalyptic vision of the end of the world . . . or is it? In this startling and timely book, Pagels returns The Book of Revelation to its historical origin, written as its author John of Patmos took aim at the Roman Empire after what is now known as the Jewish War, in 66 CE. Militant Jews in Jerusalem, fired with religious fervor, waged an all-out war against Rome's occupation of Judea and their defeat resulted in the desecration of Jerusalem and its Great Temple. Pagels persuasively interprets Revelation as a scathing attack on the decadence of Rome. Soon after, however, a new sect known as Christians seized on John's text as a weapon against heresy and infidels of all kinds—Jews, even Christians who dissented from their increasingly rigid doctrines and hierarchies. In a time when global religious violence surges, Revelations explores how

often those in power throughout history have sought to force God's enemies to submit or be killed. It is sure to appeal to Pagels's committed readers and bring her a whole new audience who want to understand the roots of dissent, violence, and division in the world's religions, and to appreciate the lasting appeal of this extraordinary text.

Zulu Dog Anton Ferreira, 2002-09-26 Publisher Description

Monster Walter Dean Myers, 2004-12-14 While on trial as an accomplice to a murder, 16-year-old Steve Harmon records his experiences in prison and in the courtroom in the form of a film script, as he tries to come to terms with the course his life has taken.

Ghana Must Go Taiye Selasi, 2013-04-04 A stunning novel, spanning generations and continents, *Ghana Must Go* by rising star Taiye Selasi is a tale of family drama and forgiveness, for fans of Zadie Smith and Chimamanda Ngozi Adichie. This is the story of a family -- of the simple, devastating ways in which families tear themselves apart, and of the incredible lengths to which a family will go to put itself back together. It is the story of one family, the Sais, whose good life crumbles in an evening; a Ghanaian father, Kweku Sai, who becomes a highly respected surgeon in the US only to be disillusioned by a grotesque injustice; his Nigerian wife, Fola, the beautiful homemaker abandoned in his wake; their eldest son, Olu, determined to reconstruct the life his father should have had; their twins, seductive Taiwo and acclaimed artist Kehinde, both brilliant but scarred and flailing; their youngest, Sadie, jealously in love with her celebrity best friend. All of them sent reeling on their disparate paths into the world. Until, one day, tragedy spins the Sais in a new direction. This is the story of a family: torn apart by lies, reunited by grief. A family absolved, ultimately, by that bitter but most tenuous bond: familial love. *Ghana Must Go* interweaves the stories of the Sais in a rich and moving drama of separation and reunion, spanning generations and cultures from West Africa to New England, London, New York and back again. It is a debut novel of blazing originality and startling power by a writer of extraordinary gifts. 'Ghana Must Go is both a fast moving story of one family's fortunes and an ecstatic exploration of the inner lives of its members. With her perfectly-pitched prose and flawless technique, Selasi does more than merely renew our sense of the African novel: she renews our sense of the novel, period. An astonishing debut' Teju Cole, author of *Open City* Taiye Selasi was born in London and raised in Massachusetts. She holds a B.A. in American Studies from Yale and an M.Phil. in International Relations from Oxford. *The Sex Lives of African Girls* (Granta, 2011), Selasi's fiction debut, appears in *Best American Short Stories 2012*. She lives in Rome.

The Book of The Ler M. A. Foster, 2006-10-03 Out of print since 1985, these three classic novels form a trilogy that chronicles the history of an alternate human race, the Ler, from their origins as a bioengineered superhuman race on Earth to their complex civilizations in space. Together, the books form a challenging examination of what it means to be human.
