**Man on the Run** Zeke Pipher,2012-03-06 Do you have a hyper-hobbiied man in your life? Maybe you are a hyper-hobbiied man. Hobbies and adventurous pursuits are good for the soul, says author Zeke Pipher. In fact, the human spirit was designed for challenge, stimulation, even risk. So why a book about hyper-hobbiied men? Because too much of a good thing can pull men away from the even more important things—like family, friends, and church. But there is another way. Men are capable of living with passion and zeal while at the same time remaining balanced and faithful to their most important relationships and priorities. They can learn to run hard and run well, while running after the right things. To do this, men need the help and support of their wives, children, friends, and greater community. If these basics are in place, watch out. Everyone wins when men are on the run. Passionate, pursuit-driven men can make great husbands, fathers, friends, and colleagues precisely because of their tenacious tendencies. Yet the qualities that make men pursue adventure above all else can wreck their lives; overzealous men end up losing out on the best things in life. How to have the best of both worlds is what this book is all about.

**Skylight Confessions** Alice Hoffman, 2007-01-11 Writing at the height of her powers, Alice Hoffman conjures three generations of a family haunted by love. Cool, practical, and deliberate, John is dreamy Arlyn's polar opposite. Yet the two are

drawn powerfully together even when it is clear they are bound to bring each other grief. Their difficult marriage leads them and their children to a house made of glass in the Connecticut countryside, to the avenues of Manhattan, and to the blue waters of Long Island Sound. Glass breaks, love hurts, and families make their own rules. Ultimately, it falls to their grandson, Will, to solve the emotional puzzle of his family and of his own identity.

Run With the Devil or Walk With God Manjuan De La Pas, 2014-11-14 This autobiography is about a character's transition from a curious child, to an evil adolescent into a highly self-secure spiritual man. As a child he loves and is very close to his grandmother, whom although poor, she's always happy, very spiritual and the only real example of anyone being close to God. He loves to sit down with her and listen curiously as she describes the beauty of heaven, as well as reads and explains, the at times grim prophecies of the bible. Still too young to understand, he would remain a confused and bitter unbeliever, due to all the pain and suffering that surrounded him on a daily basis. He's a child growing up in a very tough racially divided community, who never looks for trouble but trouble always finds him. At first he could care less and isn't impressed by the hoods in the fast life. But on the surface, compared to his mother and any hard working individual, it was the hoods that had it all. So by the time he'd become an adolescent, he's tired of being poor, any good he had left in him has faded and he vows to do whatever it takes to get ahead even if he has to kill! In the process he prays to the devil, makes an abundance of money, gains power and attains an unbelievable amount of notoriety. He'd become almost uncontrollable to the point, where he's very aware but doesn't care, that he only has two stops left, life in prison or eternal death in hell! Until one fateful day when he's made to think about his only son, after a crime he'd committed that could have hurt or even killed an enemy's innocent kids and thus began his road to repentance.

Torpedo Run Don Keith, 2022-04-05 The remarkable true story of Eugene Fluckey, the US Navy's most innovative—and

aggressive—submarine commander of World War II Over the course of five combat patrols during the Pacific War, Commander Fluckey reinvented submarine warfare, pioneering audacious strategies to hunt and sink Japanese warships and merchant vessels. At the helm of the USS Barb, he directed his boat to attack warship convoys—never mind the lop-sided odds—and to slip into heavily defended enemy harbors to launch torpedoes at unsuspecting targets. “Lucky” Fluckey’s submariners often attacked from the surface, brazenly sinking the enemy with the Barb’s deck guns. Once, he even sent sailors ashore on one Japanese island on a perilous mission to blow up a Japanese train. Fluckey and his crew sent an astounding seventeen enemy ships, including an aircraft carrier, to the bottom of the sea. In *Torpedo Run*, acclaimed naval historian Don Keith dives into the most thrilling and dangerous tales of Fluckey’s war, as he guides his gallant crew against the Japanese fleet. For his heroism and intrepidity, Fluckey earned four Navy Crosses and the Medal of Honor, and showed what a submarine—and he—was capable of.

*Wilderness Run* Maria Hummel, 2014-09-02 Winter 1859: While exploring the frozen expanse of Lake Champlain, Isabel Bel Lindsey and her cousin Laurence hear a hoarse voice call out to them, the voice of a runaway slave. The teenage children of wealthy Vermont lumber barons, Bel and Laurence decide to hide and aid the runaway. The choice catapults them from their sheltered upbringing into the central issue of their time: slavery and the future of the Union. *Wilderness Run* recounts their coming of age as it follows America's own loss of innocence after entering the Civil War. Two years pass and Laurence is a soldier fighting in some of the war's bloodiest battles, while Bel, in the confines of her father's mansion, begins to fall for her French-Canadian tutor, Louis Pacquette--only to see him enlist for the Union. As Laurence and Louis become friends and serve in the same brigade, Bel starts to unravel a painful family secret. The history of family and nation come together when Bel goes to serve as a nurse in Washington, D.C., and after the terrible fires of the Battle of the Wilderness, reunites with the two men who love her. Featuring vivid characters and visceral war scenes balanced by intimate portraits of domestic life, *Wilderness Run* is a powerful debut by gifted young writer Maria Hummel.

**The Providence and Grace of God** Karen Jo Smith, 2015-12-09 The Providence and Grace of God is author Karen Jo Smith's love letter to the Lord. It presents a story of faith that began in a shelter for battered women, where she discovered the miraculous grace of God. When she found herself in the shelter, she asked God to reveal himself to her through his love—and he did. Words are insufficient to describe the reality of the miracles that she has been so privileged to experience at the very hands of God. In this collection of true stories, she recounts the many acts of kindness that she has experienced through God's grace. Her touching tales of God's miraculous love in the face of so many challenges have truly uplifted her spirit and have provided her with a life's purpose. She has made a humble attempt to glorify God by writing about her challenges and struggles. She has also come to know that through prayer and a strong faith in Jesus, all things are possible. It is the desire of her heart that you know that no matter how far you think you have fallen, and no matter how unworthy you

may feel, God truly loves you. Her stories encourage you to take a leap of faith and simply trust in The Providence and Grace of God.
